Story 1

| | | | | | | |
|------------------------|---------------------------|------------------------------|-------------------------|---------------------------|--------------------------------|-----------------------------------|
| top emitting countries | united states of coal co2 | total emission by continents | co2 emission per capita | co2 emission per capita 2 | co2 emission by other facctors | emission rate by internal factors |
|------------------------|---------------------------|------------------------------|-------------------------|---------------------------|--------------------------------|-----------------------------------|

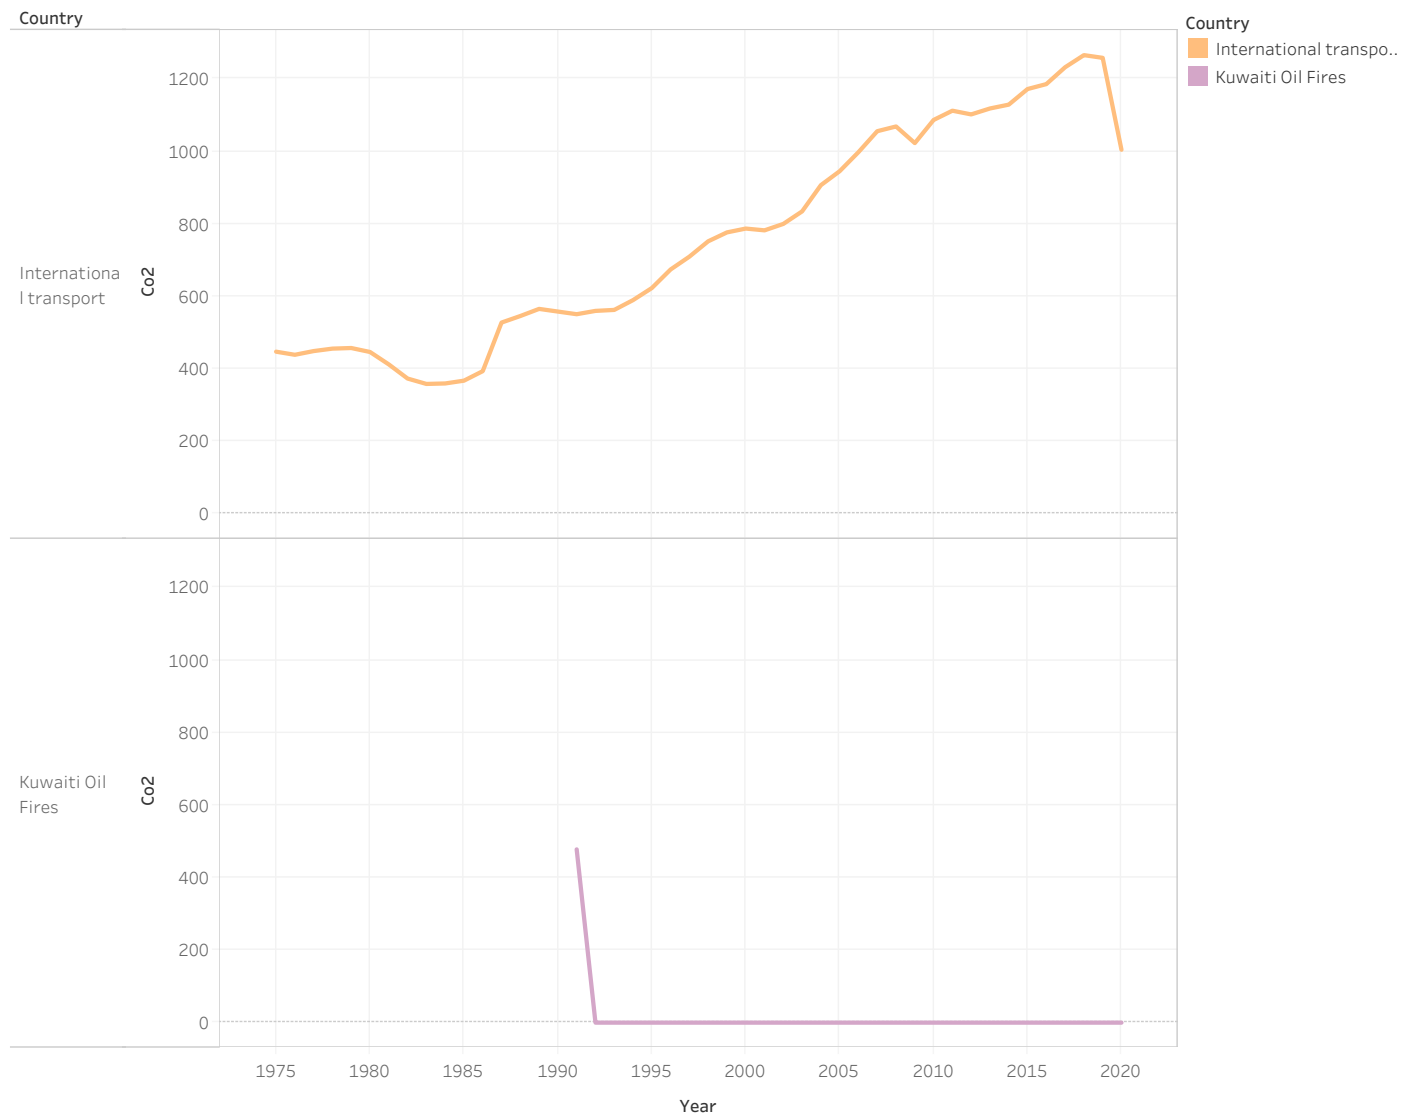

Story 1

| | | | | | | |
|------------------------------|---------------------------------|----------------------------|------------------------------|-----------------------------------|--------------------------------------|--------------|
| united states of coal co2 | total emission by continents | co2 emission per capita | co2 emission per capita 2 | co2 emission by other facctors | emission rate by internal factors | co2 emission |
|------------------------------|---------------------------------|----------------------------|------------------------------|-----------------------------------|--------------------------------------|--------------|

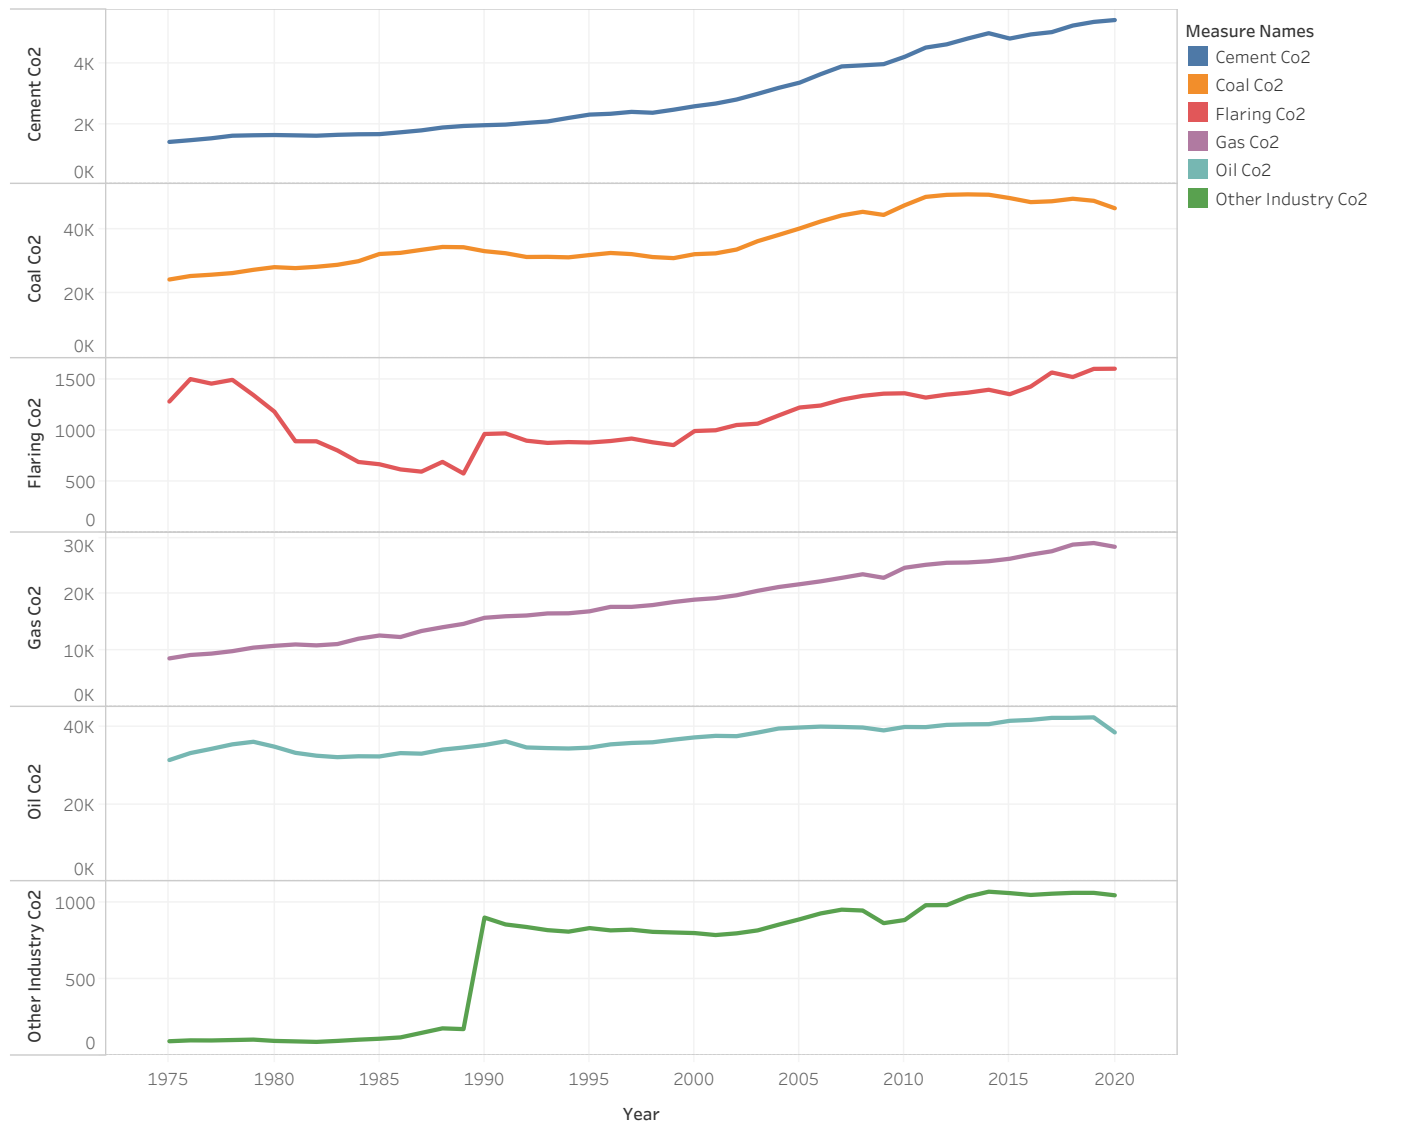

Story 1

| | | | | | | |
|------------------------------|-------------------------|---------------------------|--------------------------------|-----------------------------------|--------------|----------------------------|
| total emission by continents | co2 emission per capita | co2 emission per capita 2 | co2 emission by other facctors | emission rate by internal factors | co2 emission | continents of contribution |
|------------------------------|-------------------------|---------------------------|--------------------------------|-----------------------------------|--------------|----------------------------|

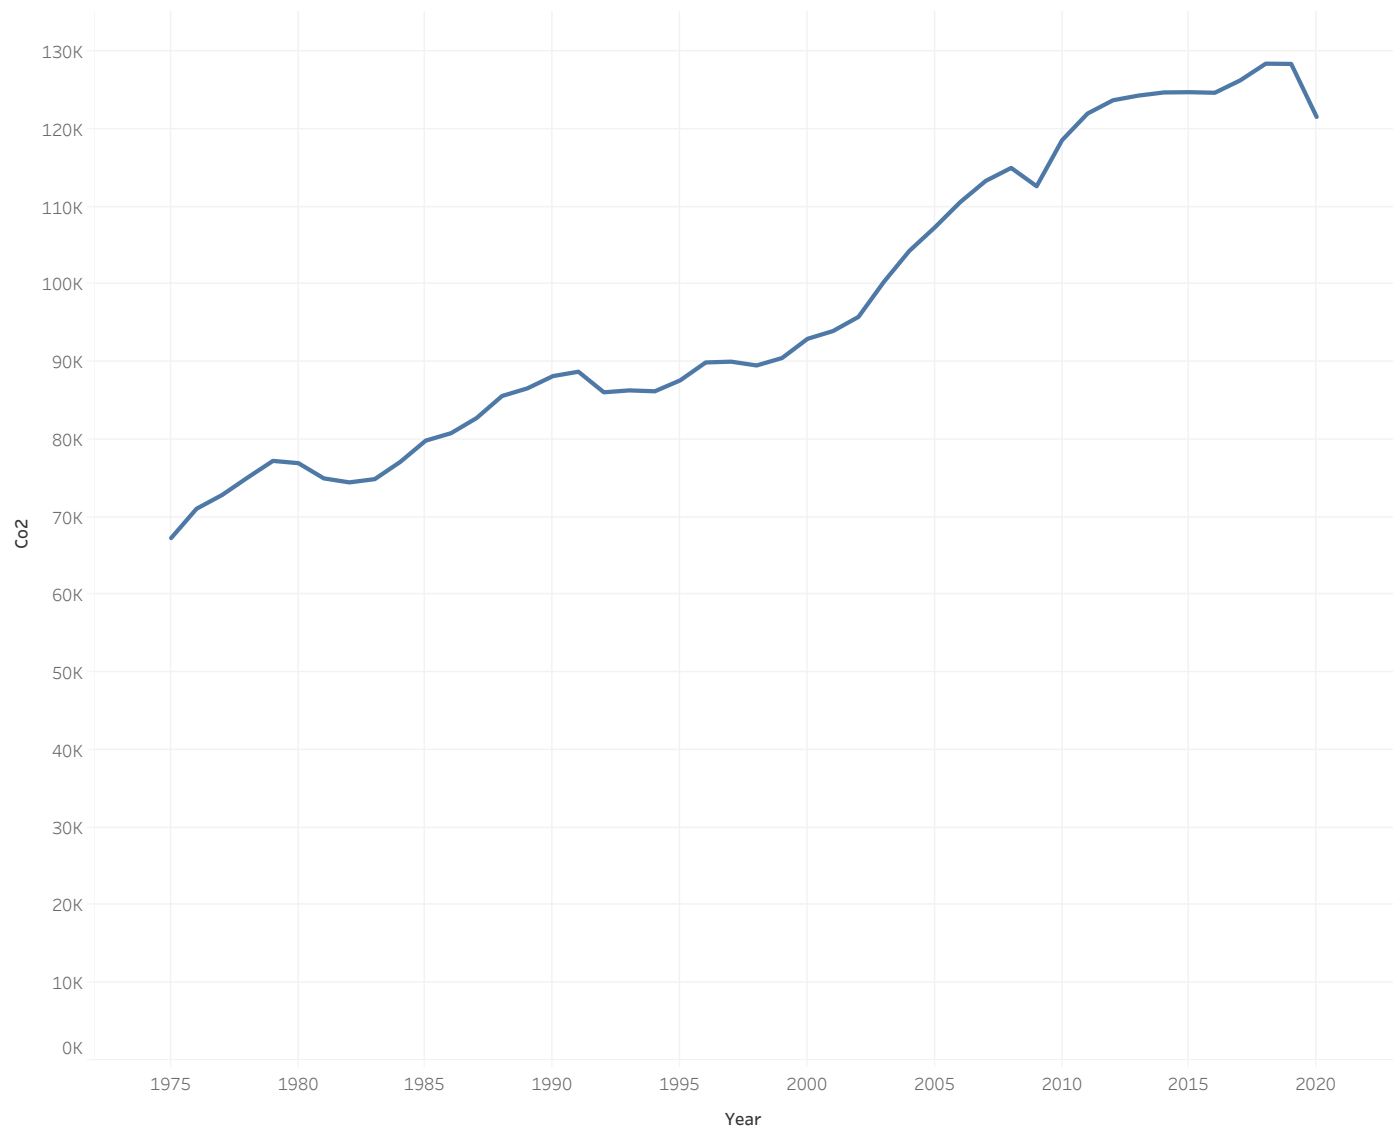

Story 1

| | | | | | | |
|-------------------------|---------------------------|---------------------------------|-----------------------------------|--------------|----------------------------|----------------------------|
| co2 emission per capita | co2 emission per capita 2 | co2 emission by other factctors | emission rate by internal factors | co2 emission | continents of contribution | co2 emission measure names |
|-------------------------|---------------------------|---------------------------------|-----------------------------------|--------------|----------------------------|----------------------------|

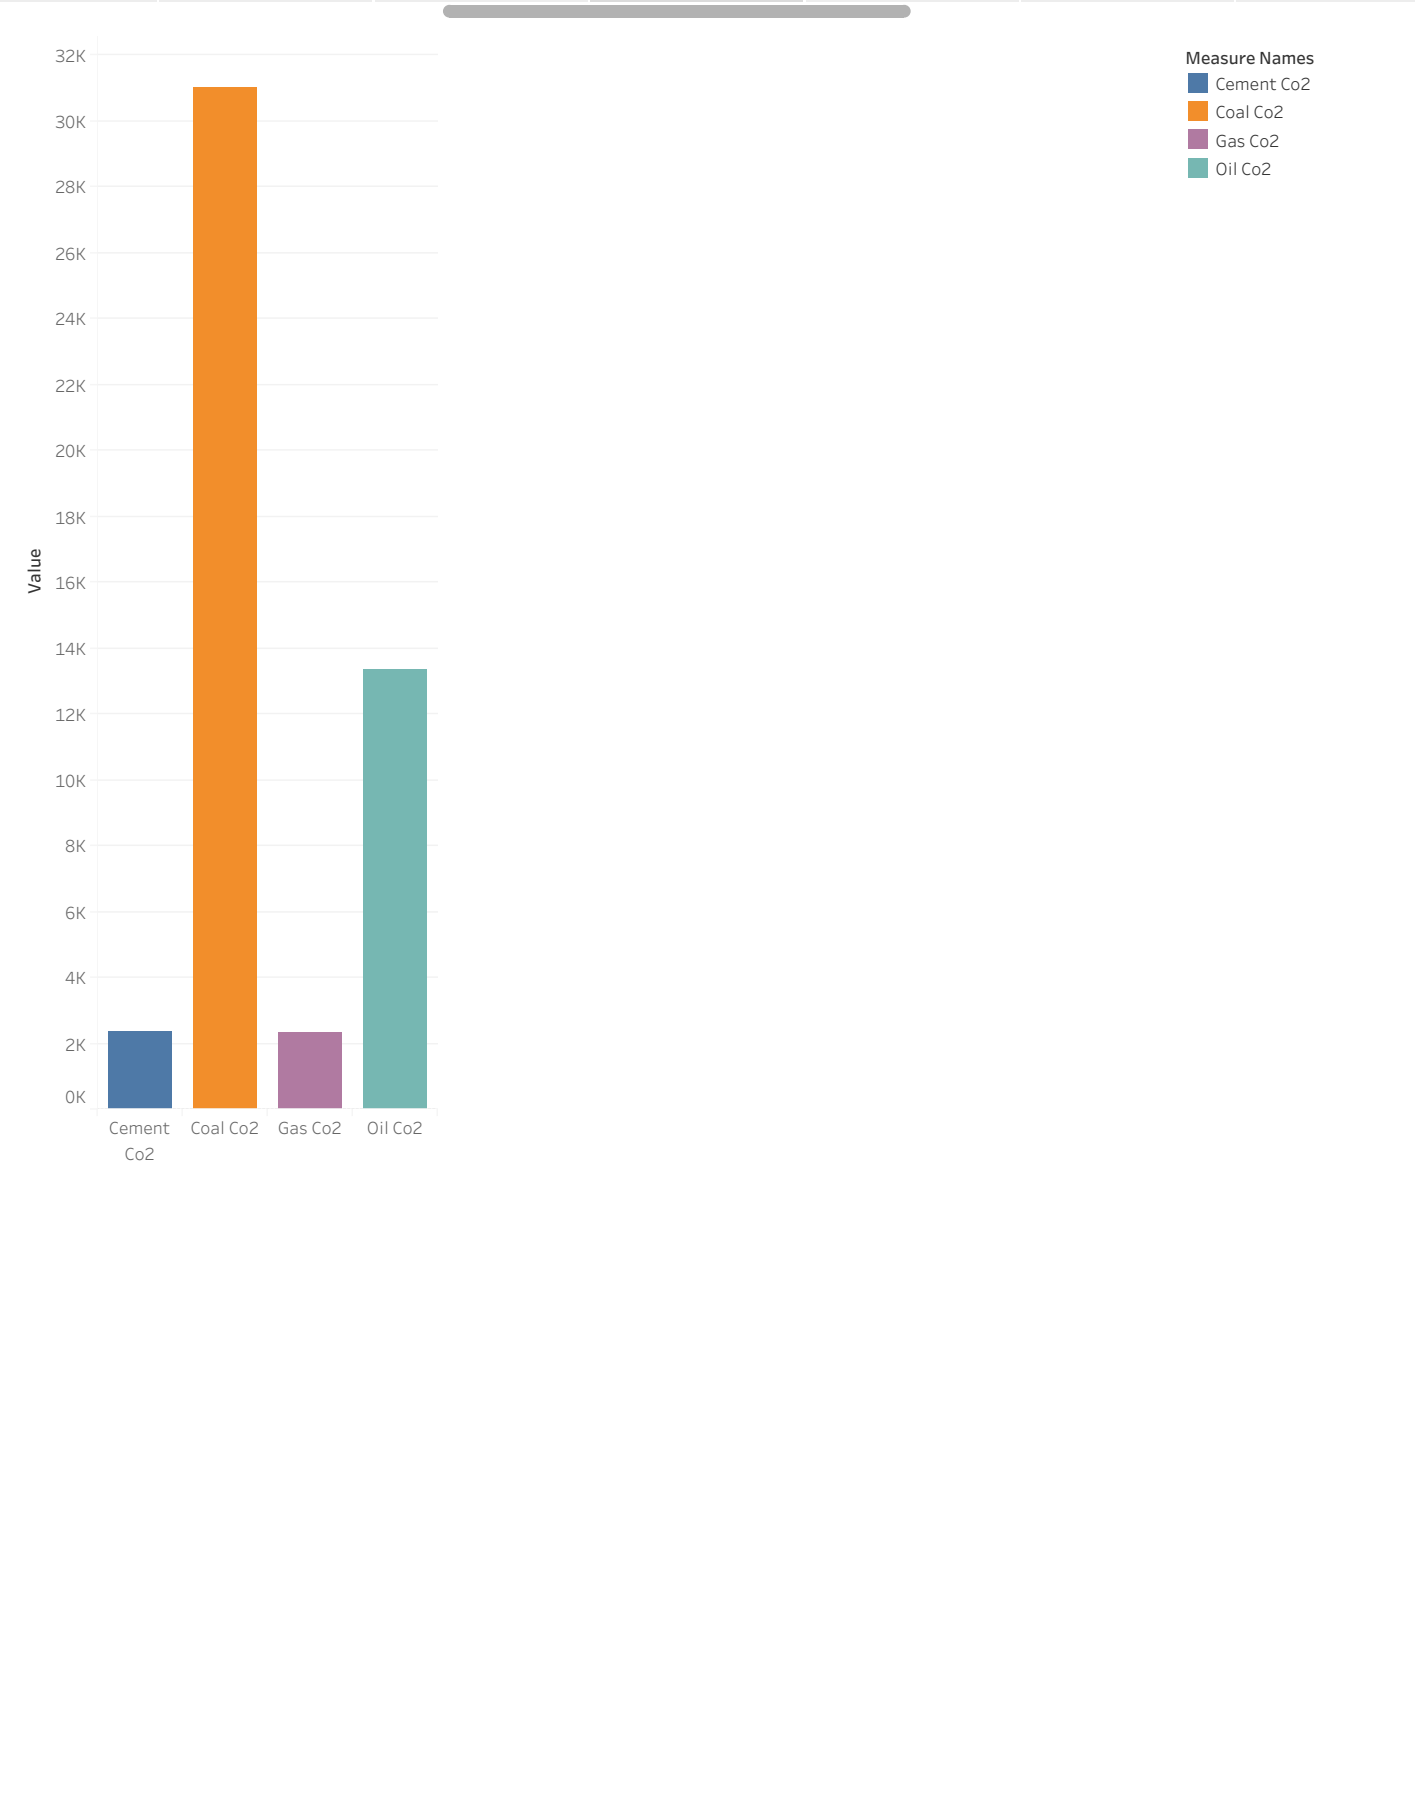

Story 1

| | | | | | | |
|---------------------------|--------------------------------|-----------------------------------|--------------|----------------------------|----------------------------|-------------|
| co2 emission per capita 2 | co2 emission by other facctors | emission rate by internal factors | co2 emission | continents of contribution | co2 emission measure names | donut chart |
|---------------------------|--------------------------------|-----------------------------------|--------------|----------------------------|----------------------------|-------------|

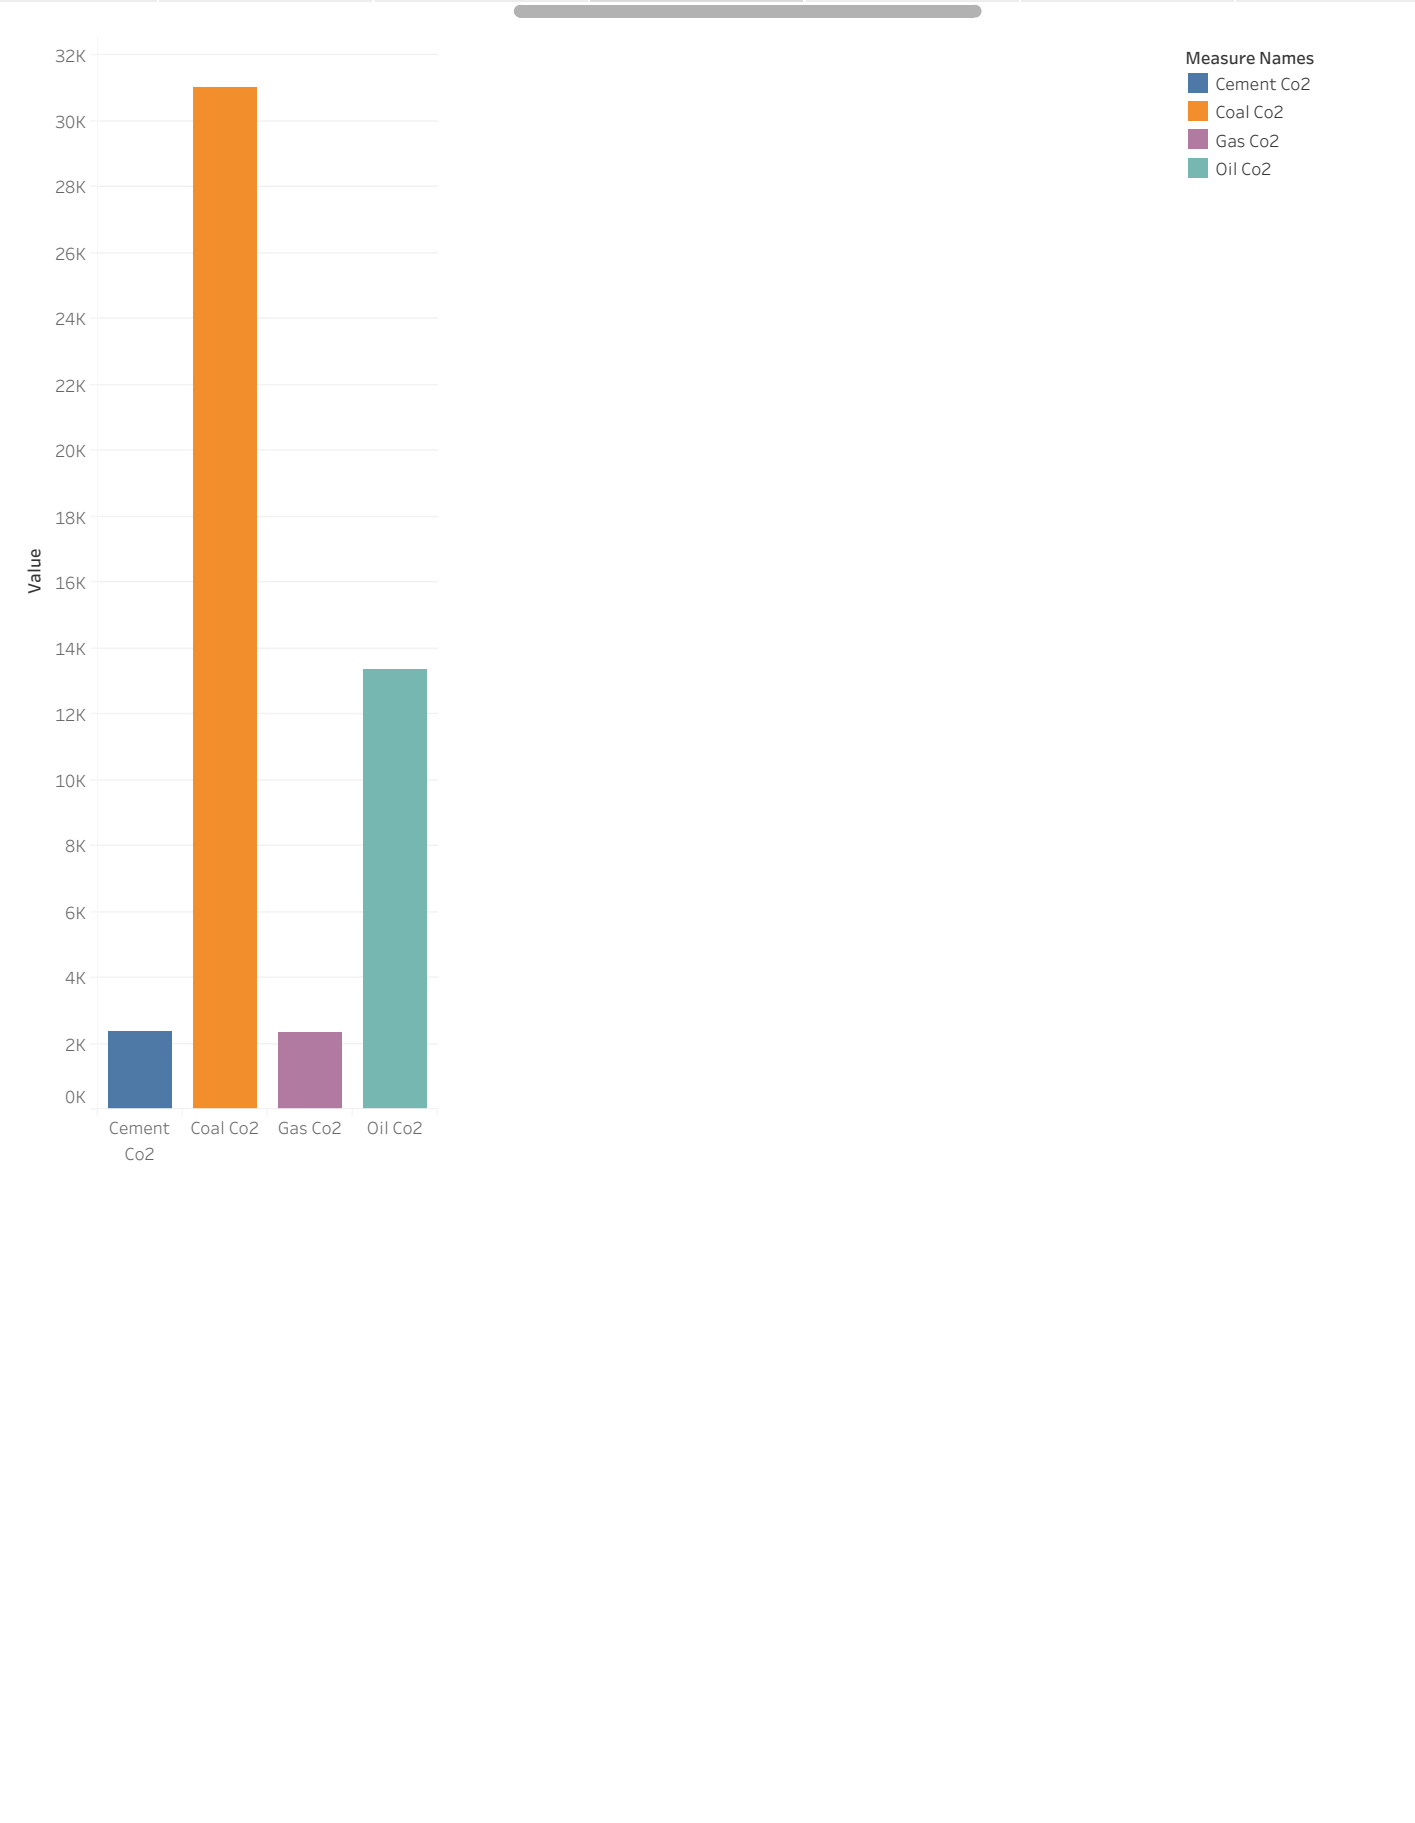

Story 1

| | | | | | | |
|--------------------------------|-----------------------------------|--------------|----------------------------|----------------------------|-------------|----------------------------------|
| co2 emission by other facttors | emission rate by internal factors | co2 emission | continents of contribution | co2 emission measure names | donut chart | continent contribution in co2 .. |
|--------------------------------|-----------------------------------|--------------|----------------------------|----------------------------|-------------|----------------------------------|

Story 1

| | | | | | | |
|-----------------------------------|--------------|----------------------------|----------------------------|-------------|--|--------------|
| emission rate by internal factors | co2 emission | continents of contribution | co2 emission measure names | donut chart | continent contribution in co2 emission | donut chart2 |
|-----------------------------------|--------------|----------------------------|----------------------------|-------------|--|--------------|

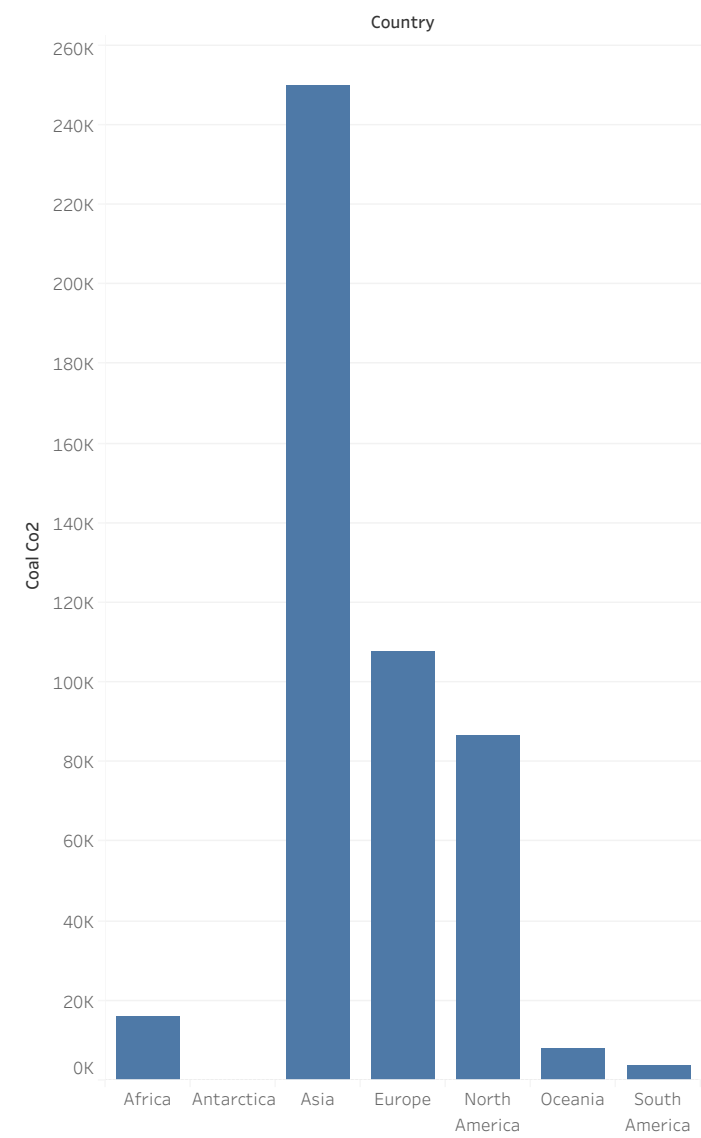

Story 1

| | | | | | | |
|--------------|----------------------------|----------------------------|-------------|--|--------------|---------------------------------|
| co2 emission | continents of contribution | co2 emission measure names | donut chart | continent contribution in co2 emission | donut chart2 | co2 emission over past 10 years |
|--------------|----------------------------|----------------------------|-------------|--|--------------|---------------------------------|

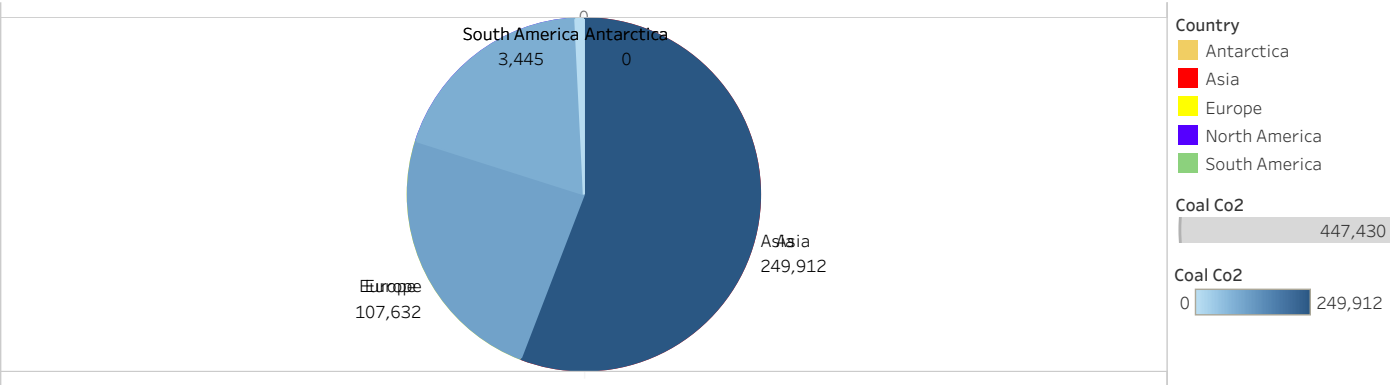

Story 1

| | | | | | | |
|----------------------------|----------------------------|-------------|--|--------------|---------------------------------|---|
| continents of contribution | co2 emission measure names | donut chart | continent contribution in co2 emission | donut chart2 | co2 emission over past 10 years | overall contribution by india in co2 emis.. |
|----------------------------|----------------------------|-------------|--|--------------|---------------------------------|---|

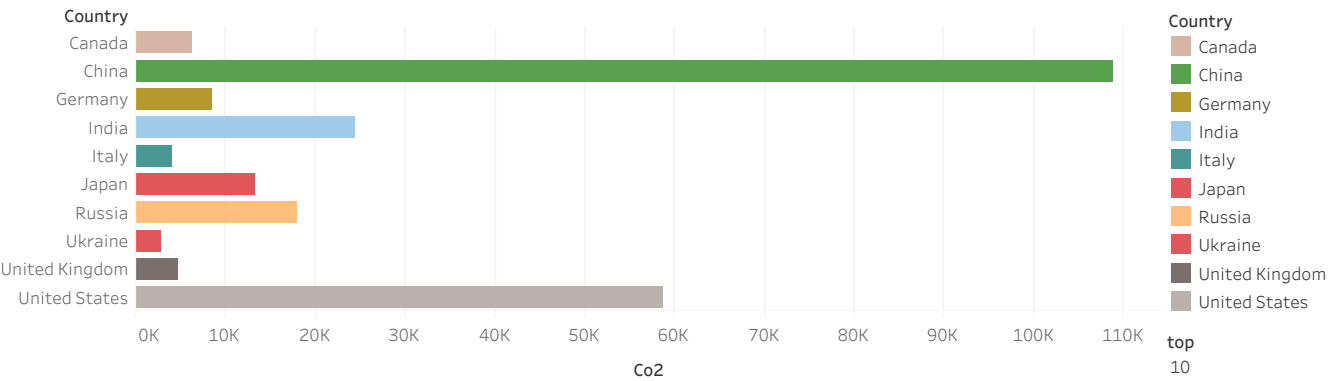

Story 1

| | | | | | | |
|-------------------------------|-------------|---|--------------|------------------------------------|--|--|
| co2 emission measure names | donut chart | continent contribution in co2 emission | donut chart2 | co2 emission over past 10 years | overall contribution by india in co2 emission | continents wise contribution by int.. |
|-------------------------------|-------------|---|--------------|------------------------------------|--|--|

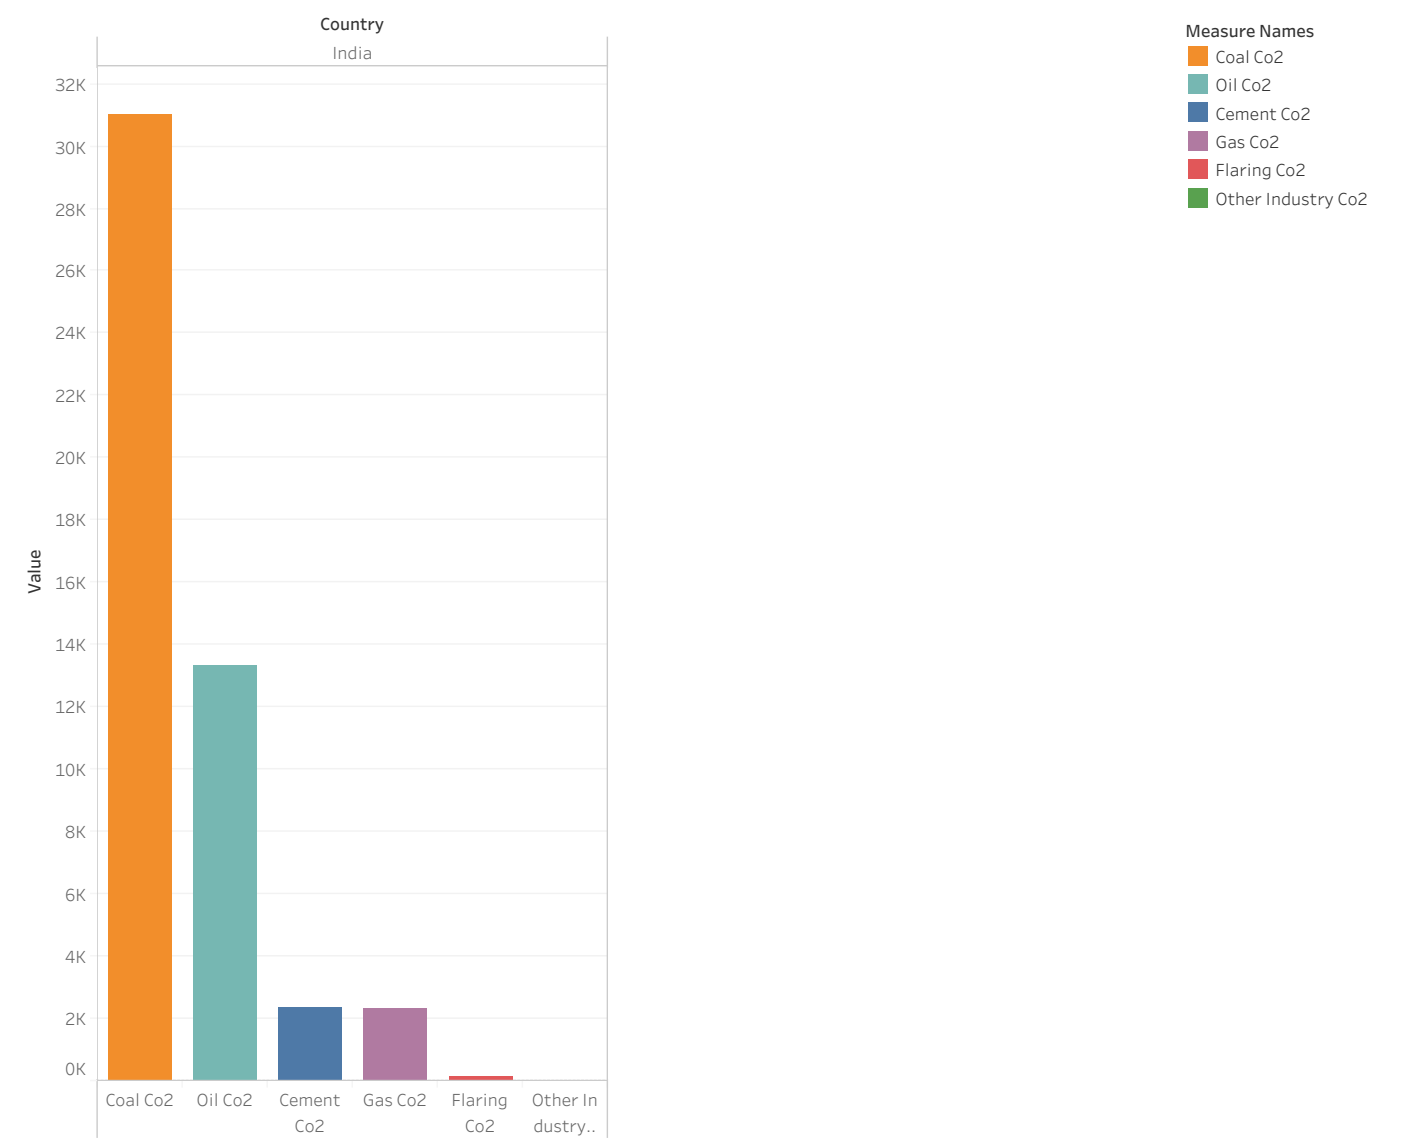

Story 1

| | | | | | | |
|-------------|---|--------------|------------------------------------|--|--|--|
| donut chart | continent contribution in co2 emission | donut chart2 | co2 emission over past 10 years | overall contribution by india in co2 emission | continents wise contribution by inter.. | co2 emission from 1990 to 2020 base.. |
|-------------|---|--------------|------------------------------------|--|--|--|

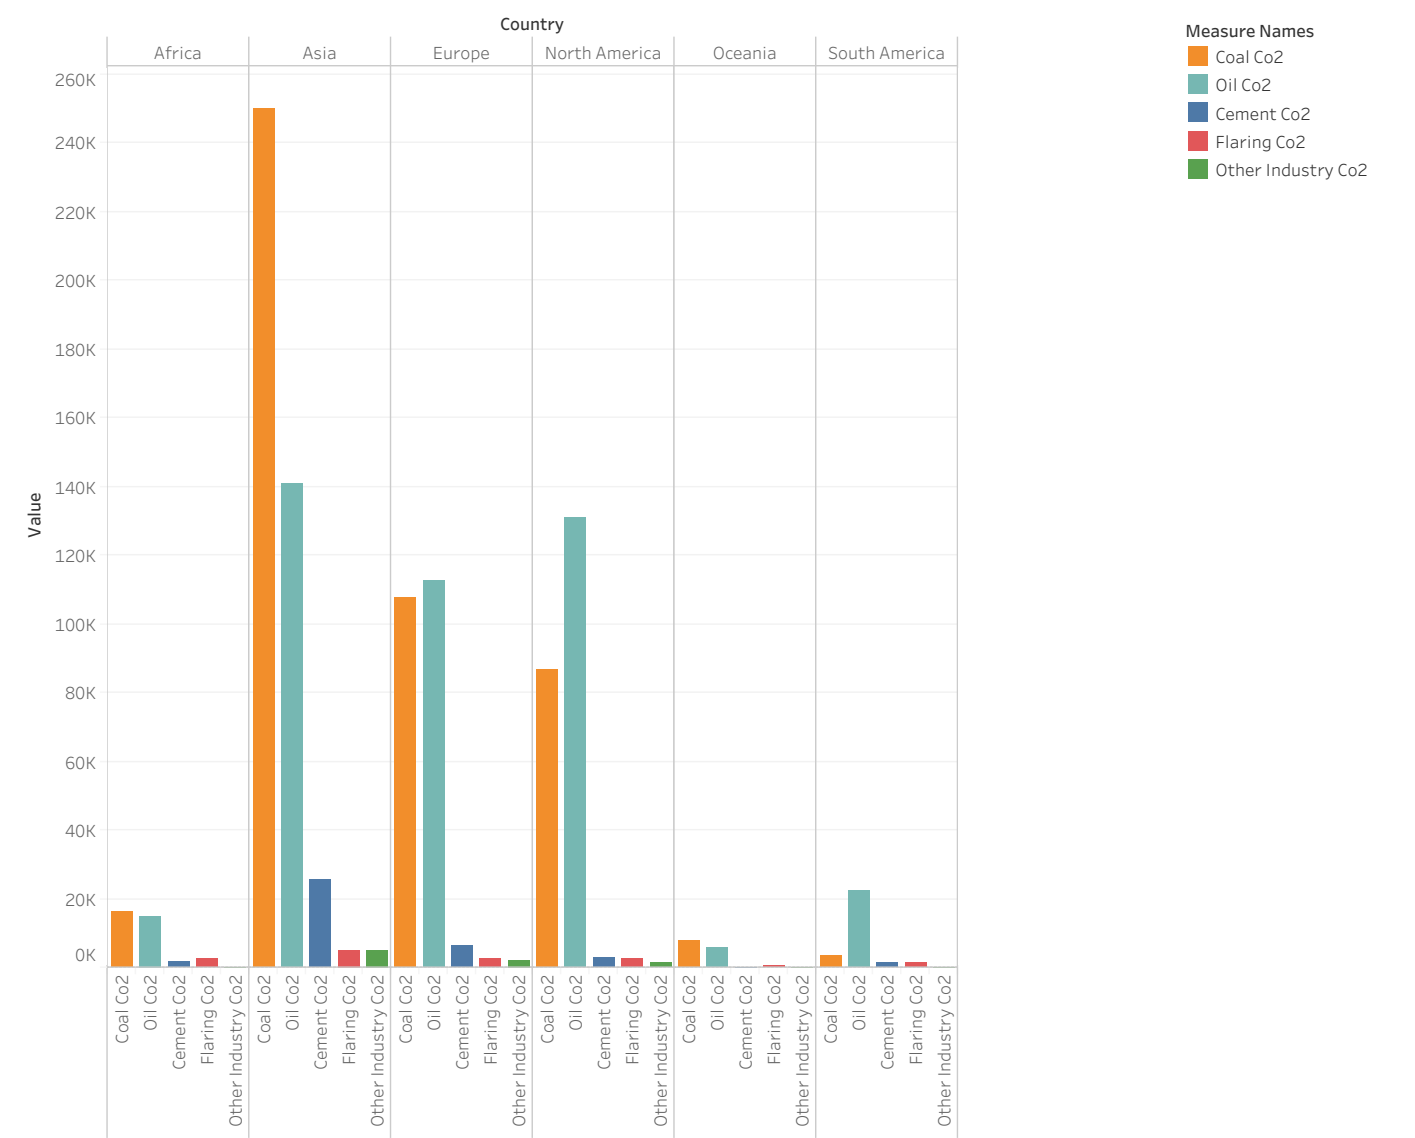

Story 1

| | | | | | | |
|-------------------------------|--------------|---------------------------------|---|---|--|---------------------------------------|
| continent contribution in c.. | donut chart2 | co2 emission over past 10 years | overall contribution by india in co2 emission | continents wise contribution by inter.. | co2 emission from 1990 to 2020 based o.. | cummulative co2 and co2 per capita .. |
|-------------------------------|--------------|---------------------------------|---|---|--|---------------------------------------|

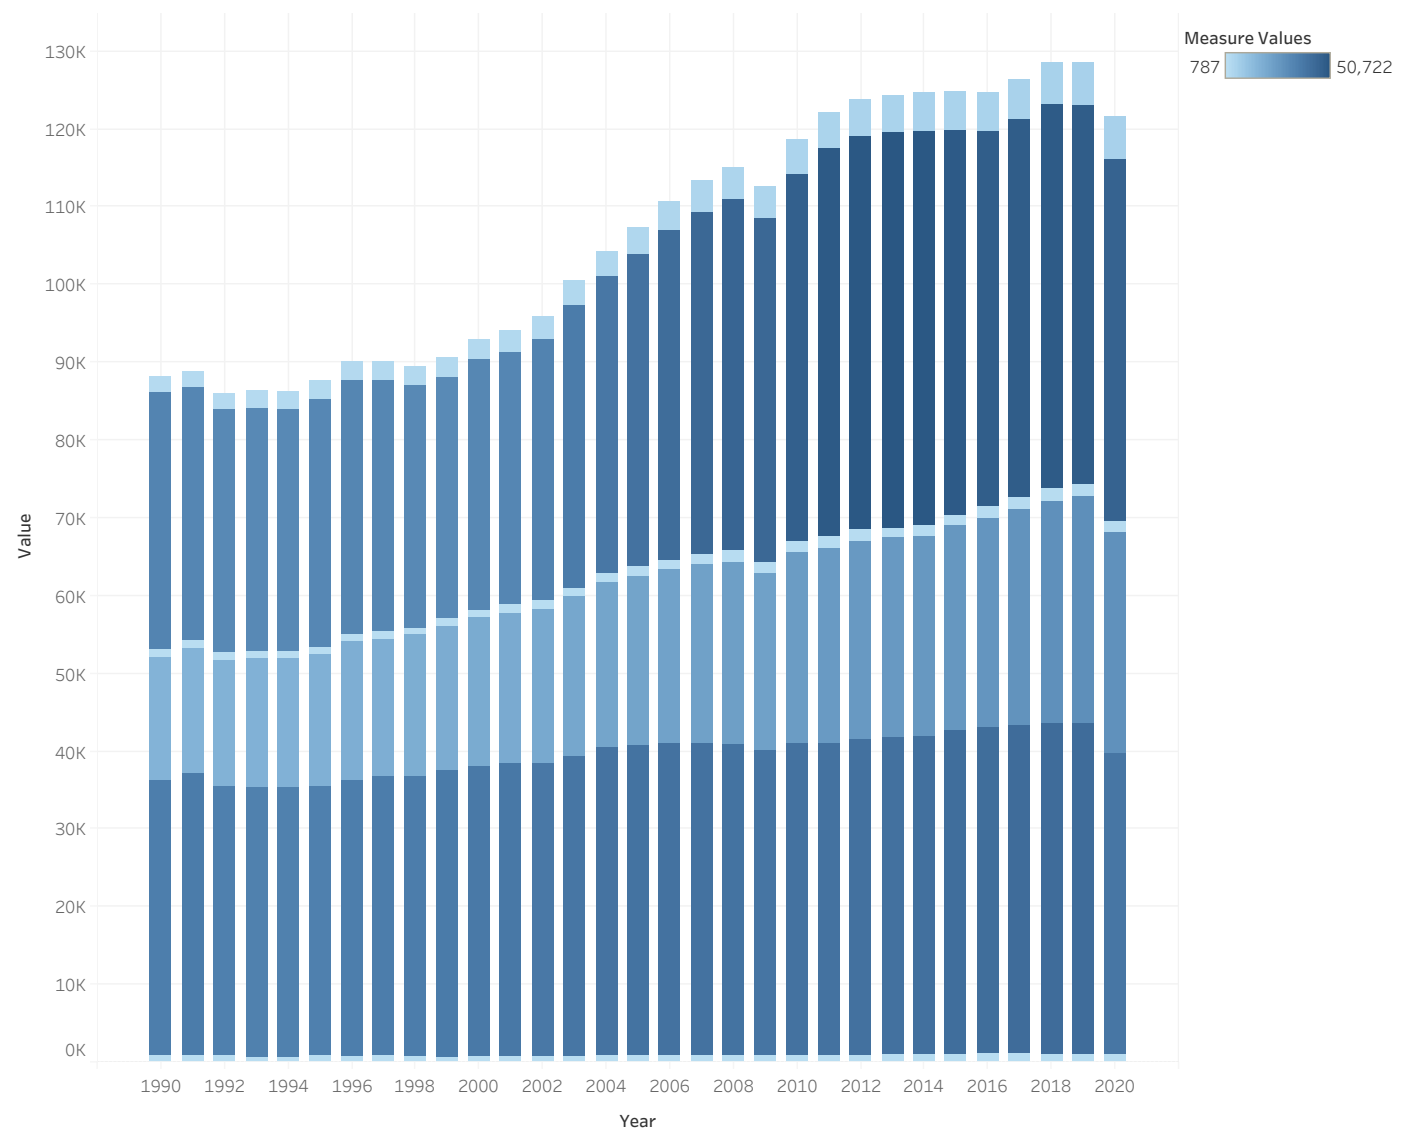

Story 1

| | | | | | | |
|--------------|---------------------------------|---|---|--|--|---------------------------------|
| donut chart2 | co2 emission over past 10 years | overall contribution by india in co2 emission | continents wise contribution by inter.. | co2 emission from 1990 to 2020 based o.. | cummulative co2 and co2 per capita over ye.. | china vs india internal factors |
|--------------|---------------------------------|---|---|--|--|---------------------------------|

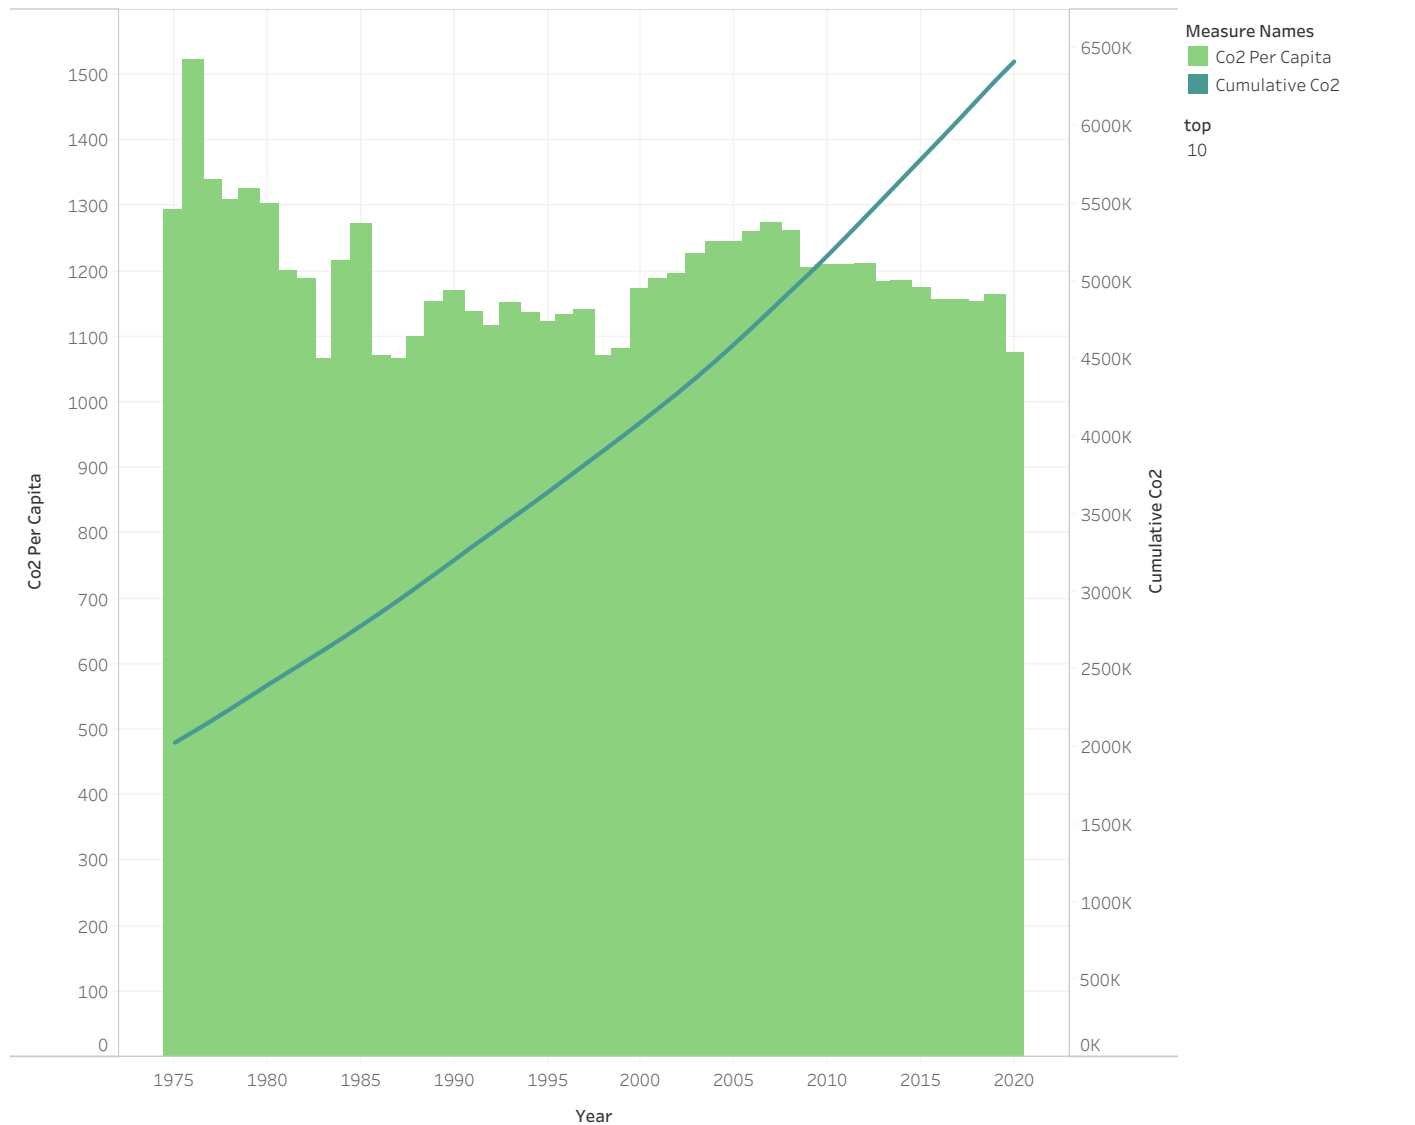

Story 1

| | | | | | | |
|--------------|---------------------------------|---|---|--|--|---------------------------------|
| donut chart2 | co2 emission over past 10 years | overall contribution by india in co2 emission | continents wise contribution by inter.. | co2 emission from 1990 to 2020 based o.. | cummulative co2 and co2 per capita over ye.. | china vs india internal factors |
|--------------|---------------------------------|---|---|--|--|---------------------------------|

Story 1
